BlumShapiro Makes Holiday Donation to East Hartford Community Shelter

Pictured at BlumShapiro's recent check presentation for \$2,000 to the East Hartford Community Shelter are (from left) BlumShapiro Chief Marketing Officer Tom DeVitto, East Hartford Community Shelter Program Coordinator Stephen Bigler, East Hartford Community Shelter Family Case Manager Sandra Terry, and BlumShapiro Managing Partner Carl Johnson.

For the third consecutive year, partners and employees of BlumShapiro decided to forego the company's annual holiday party and donate to the Community Renewal Team's East Hartford Community Shelter and other nonprofit organizations throughout the state.

"BlumShapiro's annual holiday donation to the East Hartford Community Shelter and other organizations throughout Connecticut is our way of saying thank you for the work these charities do tirelessly every day to help those in need," said BlumShapiro Managing Partner **Carl Johnson**.
