2. INTRODUCTION

ORGANIZATIONAL PURPOSE

CRT's overall purpose is to prepare communities to meet life's challenges. The Community Renewal Team Inc. was founded in 1963 an anti-poverty agency serving people and families throughout the Connecticut River Valley. Head Start, Meals on Wheels, supportive housing and shelter, and many other CRT programs give people the skills and the resources to become self-sufficient and to thrive. In 1999, the Community Renewal Team of Greater Hartford Inc. merged with Community Action for Greater Middlesex County to form the Community Renewal Team Inc., CRT now runs major programs in 75 Connecticut towns, including Meals on Wheels, Head Start, homebuyer and energy assistance, nutrition, veteran, senior and youth services.

PURPOSE

The Elderly Nutrition Program (Program) is a federal and state funded nutrition program that provides meals and nutrition education to eligible participants, most of whom are aged 60 and older. The Program is authorized under Title III-C of the federal Older Americans Act (OAA). Funding sources include OAA Title III-C, State of Connecticut, Nutrition Services Incentives Program (NSIP), and local sources. All awards, contracts, and subcontracts are contingent upon the actual appropriation and distribution of State and Federal Funds.

The Program is operated through regional and local projects throughout the state by community organizations designated as Elderly Nutrition Providers (ENPs), under contract with the regional Area Agency on Aging (Agency on Aging). Agencies on Aging are private, non-profit organizations designated by
Connecticut’s State Unit on Aging – the Department of Social Services (DSS) to distribute funds on a regional basis.

The purpose of the program is to provide older Americans, particularly those with low incomes, with low-cost, nutritionally-balanced meals, delivered to the home or served in pleasant centrally located sites, such as senior centers, elderly housing units, churches and other public or private facilities where they can obtain other social and rehabilitative services.

CONGREGATE MEALS

CRT serves approximately 15 Kosher/Congregate meals, each serving day to be delivered between 10:30 a.m. and 11:30 a.m. to a site in the Greater Hartford area. The site operates Monday through Friday for a total of 241 days per year. A list of Jewish holidays is attached.

4.1 BID PRICE

- To submit your costs please complete the Caterer Meal Cost Quotation Sheet (Attachment III) for the FY2021, FY2022 and FY2023.

4.2 PROPOSAL COMPLIANCE

- CRT shall be the sole judge as to whether any and all bids comply with these specifications, and as such a decision shall be final and conclusive. Bidders shall state in their bid any exceptions taken to the Bid specifications.

- All terms and conditions of this bid will be incorporated into any subsequent contract between CRT and the bidder. If the bid and contract are found to be in conflict, these terms and conditions shall prevail.

4.3 RIGHT OF REJECTION

- This is not an offer to contract. Acceptance of a proposal neither commits CRT toward a contract to any bidder, even if all requirements stated in this bid are met, nor limits the right to negotiate in the best interest of CRT. CRT, in its sole and absolute discretion, reserves the right not to contract with any bidder for any reason.

- CRT also reserves the right, in its sole and absolute discretion, to accept or reject any and all bids in whole or in part, to waive any irregularity and/or informality in any bid and to request and receive additional information from any bidder when such acceptance, rejection, waiver or request as deemed by CRT to be in the best interest of CRT.

- CRT may reject or accept any and all bids in whole or in part or to waive any informality in bids received if in their opinion, it is deemed in the best interest of the organization to do so.

4.4 METHOD OF AWARD

- Bids will be awarded to the most responsible, responsive and qualified bidder as determined by CRT.

- CRT reserves the right to split the Bid Award if it is in the organization’s best interest.

- The start date shall be a factor considered in awarding a Contract and may result in an award offered to a vendor other than the low bidder.
- Until a contract has been executed, no vendor can claim any contract rights by virtue of the receipt of the notice of acceptance of proposal alone. Awarding of the contract shall mean that a contract agreement has been executed by both the accepted vendor and CRT.

- In the event that there is a discrepancy between price written in words and in figures, the price written in words shall govern.

4.5 FAMILIARITY WITH LAWS, SITE CONDITIONS AND DOCUMENTS

Each bidder is required to be familiar with and to comply with the terms and conditions of the specifications and all other contract documents and with all Federal, State and Local Laws, Ordinances or Regulations which in any manner relate to the furnishing of the equipment, material or services in accordance with the Contract.

4.6 QUALIFICATIONS OF BIDDER

CRT may make such investigations as it deems necessary to determine the ability of the bidder to perform the work. The bidder shall furnish to CRT all such information necessary to complete this investigation as the organization may request. CRT reserves the right to reject any or all bidders if the evidence submitted by, or investigation of vendor fails to satisfy CRT that such bidder is qualified to carry out the obligations of the contract and to the work contemplated therein.

4.7 ERRORS, INTERPRETATIONS AND ADDENDA

All information given by CRT except by written addenda shall be informal and shall not be binding upon CRT nor shall it furnish a basis for legal action by any bidder against CRT.

4.8 TRADE NAMES OR SUBCONTRACTING

- Any and all reference to trade names, types, styles, models or catalogs are intended to be descriptive only and not restrictive unless item is noted “no substitute”. The intention is to indicate to bidders the minimum requirements of type and quality of the articles and/or materials that will be satisfactory. Bids received on other makes or models will be considered unless item is noted “no substitute”. The bidder is to clearly state in her/his bid exactly what she/he intends to furnish, and to furnish with her/his bid a cut or illustration or other descriptive matter which will clearly indicate and give specification as to the product she/he proposes to furnish.

- Where a bid is offered on an item other than the trade standard used in the specification, the item should be annotated on the bid form by referencing an addendum which states the brand/trade name. Samples are to be submitted, if requested, at the bidder’s expense. It is understood that any substitutes which might be offered are guaranteed by the bidder to be of equal or better quality than is requested in the bid. It shall be further understood that during original, as well as subsequent shipments, spot checks will be performed to ensure that the items received are, in fact, the items offered in the bid. Should items/materials prove to be different in any way, the bidder agrees to pay for and accept the return of the items and agrees to supply the correct items (per bid specifications) at bidder’s expense.
• The Contractor shall not subcontract the work under this project without written approval of the Chief Financial Officer (CFO) or his designee.

• Failure of a contractor to deliver within the time specified or to deliver within the time extended by CRT, and failure to make replacements of rejected articles when so requested, immediately or as directed by CRT shall constitute contract default.

In the event of any such termination, CRT shall immediately serve notice thereof upon the Vendor.

• If contract is terminated, CRT reserves the right to award bid to next lowest responsible bidder or purchase on the open market. In either event, the defaulting contractor (or his surety) shall be liable to CRT for cost to CRT in excess of the defaulted contract prices.

4.11 RISK OF LOSS

Bidders agree to bear all risk of loss; injury or destruction of goods and material ordered herein which occurs prior to acceptance. Such loss, injury or destruction shall not release the bidder from any obligation under this bid.

4.12 INSURANCE AND WAGE REQUIREMENTS

Contractor shall provide a Certificate and other evidence of such insurance to CRT at the signing of the agreement and upon demand any time thereafter during the duration of this agreement in amounts acceptable to CRT not less than the following:

4.15 LIQUIDATED DAMAGES

It is understood and agreed that if production is delayed that damages will be uncertain and difficult to ascertain, and it is agreed that the reasonable foreseeable value of such delays would be the sum of One Hundred and Fifty Dollars ($150.00) per day for each day’s delay in fully completing said project beyond the time specified in a subsequent written agreement, plus any written extensions of time allowed by CRT.

SCOPE AND SPECIFICATIONS

Contract Period:
The Quotation submitted must be a fixed price for FY2021 ending 09/30/2021, (with the option to extend for two
(2) additional years), limited to an increase, if any, in cost per meal not to exceed the Consumer Price Index (the
designated one as negotiated by the Agency on Aging and the Contractor) published by the Bureau of Labor
Statistics of the United States Department of Labor or three percent (3%), whichever is lower. The term
“increase in index” shall mean the percentage by which the index for the first month of the renewal year exceeds
the index for the previous year. CRT reserves the right to renew the agreement with selected caterer for a
second and third year based upon review of meal cost schedules. The caterer must submit a fixed price per
plate for hot and cold meals prepared fresh daily, five days a week (Monday through Friday).

The quality, selection, purchase and preparation of food must follow the attached menu plans. The meal must
meet the standards set forth in the attached Food Quality Specifications, and must meet the approval of CRT/
ENP, the Connecticut State Department on Aging and its consultants.

The project will refuse lower cost menu items not appearing on this menu as alternative ways of attaining the
nutrient requirements (see attached specifications for Food Quality).

The price submitted for Kosher/Congregate meals shall include all food items and their delivery to the site by
10:00 a.m. or items may be picked-up by the Community Renewal Team, Inc. staff at the caterer's location.
(Within a 15 mile radius)

The quotation packet contains one quotation proposal for the caterer to provide the entrée and one additional
side dish, i.e. soup, salad, stuffing. The remaining components of the meal will be provided by CRT/ENP with
preparation at our kosher sites. The caterer shall make available the services of a Rabbi to the CRT/ ENP, once
per year, for the review of grocery items purchased by CRT for use at the kosher meal sites.

The meals are to be prepared according to the specifications set forth in this quotation. Meals are delivered five
(5) days a week (Monday through Friday) to the designated site. At the congregate sites, project personnel will
be responsible for final preparation and serving the food to congregate participants. A list of project sites is
attached. Additional project sites may be added, or any of the project sites listed may be eliminated or moved to
new locations when and where deemed reasonable by CRT/ENP. Food must be delivered between 10:30 a.m.
and 11:30 a.m. during weekdays of services to the site.

CONDITIONS:
Hot foods delivered to congregate sites are to be delivered in proportioned bulk servings and must be at a
temperature of 135°F or higher upon delivery for the hot food. Cold food must be delivered at 40°F or below.

Containers used for delivery should cover and insulate the food and so prevent contamination from dust, flies,
and rodents as well as maintain safe temperature during transportation. The caterer is responsible for washing
and sterilizing all containers used in delivery of food. The caterer must meet all health codes of Municipal and
State Health Departments.

The CRT/ENP has the right to refuse food not meeting specifications for quality or safety, without penalty. In
case of shortages, error or unacceptable quality, the food shall be replaced by the caterer in time for use with the
meal on the same day. In the event that the caterer fails to deliver any meal or meals or other food to the project,
as agreed upon, the project may procure a meal or meals or other foods elsewhere, and charge to the caterer the cost of such replacement meal or meals or other foods, plus any procurement cost incurred by CRT/ENP.

The caterer may decide not to bid on the delivery component of the enclosed quotation. In this instance, CRT/ENP will factor in CRT's delivery costs to your quotation during the review process.

Caterer must submit with the quotation, an explanation of the systems which they will use to fulfill the terms of the agreement in regard to maintaining food temperatures, delivery, holding time, replace or missing or unusable items, and weather-related emergencies.

The caterer must be willing to work with project volunteers.

CRT/ENP will notify the caterer of the number of meals needed prior 12:30 p.m. on the previous day. If, because of weather or other Acts of God, it is necessary to cancel a day's meal, the project may do so by notification to the caterer no later than 7:00 a.m. on the day of delivery.

Any food already prepared shall be promptly frozen or refrigerated, and if appropriate, that day's menu will be substituted for the following day's menu. If food is unusable due to closing, and the appropriate procedures for closing have been followed, the financial burden lies with the caterer.

The caterer must allow inspection of food preparation sites by CRT/ENP, Area Agency on Aging, State and Federal staff, upon request, and must maintain records pertaining to this contract for three (3) years. These records shall be available for review of above named staff, upon request.

The caterer must be flexible regarding the number of meals to be provided each serving day. Past history indicated a fluctuation of −25% to +50% on a limited number of special serving days.

As applicable the caterer must submit a statement of assurance that they shall comply with an affirmative action plan for equal opportunity. The Vendor must be an Equal Opportunity Employer, and must send a copy of the Affirmative Action Plan or statements of hiring practice to this agency if applicable.

All Caterers must have adequate insurance and provide a copy of the Certificate of General Liability to this agency.

The parties further must agree that the ENP may withhold any payments due to the caterer in the hands of the ENP at the default as partial payment toward these damages.

The selected caterer may determine if he/she does not want to renew his/her service for the coming year. If so, the caterer must notify the ENP by June 1, 2019 in writing of intent to discontinue for the coming year.

The effective time of the Contract is from October 1, 2020 through September 30, 2021, with CRT having an option to renew for an additional two (2) years.

All quotations shall be subject to review and acceptance by CRT/ENP. Candidates may be asked to provide food samples. The Area Agency on Aging and the Connecticut State Department of Social Services shall have the right to review and comment upon all quotations received. CRT/ENP reserves the right to accept or reject any quotation, deemed in the best interest of the Project.

CRT is an Affirmative Action/Equal Opportunity Employer; Minority/Women’s business Enterprises are encouraged to apply.
