INTRODUCTION

CRT HISTORY AND MISSION

CRT’s overall purpose is to prepare communities to meet life’s challenges. The Community Renewal Team, Inc. was founded in 1963 an anti-poverty agency serving people and families throughout the Connecticut River Valley. Child Care, Meals on Wheels, supportive housing and shelter, and many other CRT programs give people the skills and the resources to become self-sufficient and to thrive. In 1999, the Community Renewal Team of Greater Hartford, Inc. merged with Community Action for Greater Middlesex County to form the Community Renewal Team, Inc. CRT now runs major programs in 75 Connecticut towns, including Meals on Wheels, Child Care, homebuyer and energy assistance, nutrition, veteran, senior and youth services.

GENERAL CONDITIONS

BID PRICE

Please submit your bid utilizing the Sample Bid Form, Attachment C. This is considered one project and you must be able to complete all aspects of the work.

CRT is an Affirmative Action/Equal Opportunity Employer; Minority/Women’s business Enterprises are encouraged to apply.
PROPOSAL COMPLIANCE

- CRT shall be the sole judge as to whether any and all bids comply with these specifications, and as such a decision shall be final and conclusive. Bidders shall state in their bid any exceptions taken to the Bid specifications.
- All terms and conditions of this bid will be incorporated into any subsequent contract between CRT and the bidder. If the bid and contract are found to be in conflict, the terms and conditions shall prevail in the Invitation to Bid.

RIGHT OF REJECTION

- This is not an offer to contract. Acceptance of a proposal neither commits CRT toward a contract to any bidder, even if all requirements stated in this bid are met, nor limits the right to negotiate in the best interest of CRT. CRT, in its sole and absolute discretion, reserves the right not to contract with any bidder for any reason.
- CRT also reserves the right, in its sole and absolute discretion, to accept or reject any and all bids in whole or in part, to waive any irregularity and/or informality in any bid and to request and receive additional information from any bidder when such acceptance, rejection, waiver or request as deemed by CRT to be in the best interest of CRT.
- The Department Head or designee may reject or accept any and all bids in whole or in part or to waive any informality in bids received if in their opinion, it is deemed in the best interest of the organization to do so.

METHOD OF AWARD

- Bids will be awarded to the most responsible, responsive and qualified Contractor as determined by CRT.
- Until a contract has been executed, no vendor can claim any contract rights by virtue of the receipt of the notice of acceptance of proposal alone. Awarding of the contract shall mean that a contract agreement has been executed by both the accepted vendor and CRT.
- In the event that there is a discrepancy between price written in words and in figures, the price written in words shall govern.

FAMILIARITY WITH LAWS, SITE CONDITIONS AND DOCUMENTS

Each bidder is required to be familiar with and to comply with the terms and conditions of the specifications and all other contract documents and with all Federal, State and Local Laws, Ordinances or Regulations which in any manner relate to the furnishing of the equipment, material or services in accordance with the Contract. Contractors will need to comply with fire code egress requirements during construction.

CRT is an Affirmative Action/Equal Opportunity Employer; Minority/Women’s business Enterprises are encouraged to apply.
QUALIFICATIONS OF BIDDER

CRT may make such investigations as it deems necessary to determine the ability of the bidder to perform the work. The bidder shall furnish to CRT all such information necessary to complete this investigation as the organization may request. CRT reserves the right to reject any or all bidders if the evidence submitted by, or investigation of the vendor fails to satisfy CRT that such bidder is qualified to carry out the obligations of the contract and to the work contemplated therein.

ERRORS, INTERPRETATIONS AND ADDENDA

All information given by CRT except by written addenda shall be informal and shall not be binding upon CRT nor shall it furnish a basis for legal action by any bidder against CRT.

TRADE NAMES OR SUBCONTRACTING

- Any and all reference to trade names, types, styles, models or catalogs are intended to be descriptive only and not restrictive unless item is noted “no substitute”. The intention is to indicate to bidders the minimum requirements of type and quality of the articles and/or materials that will be satisfactory. Bids received on other makes or models will be considered unless item is noted “no substitute”. The bidder is to clearly state in her/his bid exactly what she/he intends to furnish, and to furnish with her/his bid a sheet or illustration or other descriptive matter which will clearly indicate and give specification as to the product she/he proposes to furnish.

- Where a bid is offered on an item other than the trade standard used in the specification, the item should be annotated on the bid form by referencing an addendum which states the i) make, ii) trade name, and iii) model number. Samples are to be submitted, if requested, at the bidder’s expense. It is understood that any substitutes which might be offered are guaranteed by the bidder to be of equal or better quality than is requested in the bid. It shall be further understood that during original, as well as subsequent shipments, spot checks will be performed to ensure that the items received are, in fact, the items offered in the bid. Should items/materials prove to be different in any way, the bidder agrees to pay for and accept the return of the items and agrees to supply the correct items (per bid specifications) at bidder’s expense.

- The Contractor shall not subcontract the work under this project without written approval of the Chief Financial Officer (CFO) or his designee.

**RIGHT OF THE OWNER TO TERMINATE CONTRACT**

- Failure of a contractor to deliver within the time specified or to deliver within the time extended by CRT, and failure to make replacements of rejected articles when so requested, immediately or as directed by CRT shall constitute contract default.

Such notices shall contain the reasons for such intention to terminate the Contract, and unless within five (5) days after the serving of such notice upon the Contractor, such violation or delay shall cease and satisfactory arrangement of correction be made, the Contract shall, upon expiration of said five (5) days, cease and terminate. In the event of any such termination, CRT shall immediately serve notice thereof upon the Vendor.
- If contract is terminated, CRT reserves the right to award bid to next lowest responsible bidder or purchase on the open market. In either event, the defaulting contractor (or his surety) shall be liable to CRT for cost to CRT in excess of the defaulted contract prices.
