## **Children Welcome for Free Lunches and Activities All Summer**

*Drop-in Location at Enfield's St. Patrick's Church Serving Up Fun and Nutrition*

ENFIELD— The Community Renewal Team announces its participation in the federally funded Summer Food Service Program (SFSP), which officially begins in Enfield on June 24. Meals and supervised activities will be provided to participating children free of charge.

These sites combine with the larger, statewide Summer Food Service Program that provides free breakfasts, lunches and snacks to low income children who would otherwise be hungry – typically those who are eligible for free and reduced-price meals during the school year. No registration is required.

Through this program, nutritious meals are provided to children 18 years and under free of charge at the following site(s):

Name & Address of Site	Meal(s) Available and Serving Time(s)	Meal Service Date
St. Patrick's Church 64 Pearl Street, Enfield	Lunch – served 11:30 – 1 pm	June 24 to August 23, 2013

Supervised youth activities are provided at many of these sites, including crafts, reading/literacy enrichment and healthy eating promotions. The Community Renewal Team has been a Summer Food Service Program sponsor in the Middletown/ Portland area for more than 15 years.
