

Your support of CRT's Golf Classic helps thousands of seniors throughout Central Connecticut avoid hunger and social isolation while staying healthy and safe during this public health crisis.

Meals on Wheels helps seniors continue to live in their own homes and brings peace of mind to their families.

Throughout the COVID-19 pandemic, every Meals on Wheels client has received a daily hot meal, no matter the obstacle or cost increases. In the past year, CRT's Elderly Nutrition Program delivered over half a million meals to seniors throughout Central Connecticut.

This level of care comes with a high price, and we need your help!

We see an increase in elderly home-bound seniors with insufficient income to cover our state's high cost of living. Your support is vital to these seniors' ability to maintain independent living.

Even if you're not a golfer or can't make the event, your donation will change lives and help **Keep Meals on Wheels Rolling!**
